

Lyrics for March 2018 Daily Sparkle CD Songs

Track 1 Takes Two To Tango by Pearl Bailey

Takes two to tango, two to tango
Two to really get the feeling of romance
Let's do the tango, do the tango, do the dance of love

You can sail on a ship by yourself
Take a nap or a nip by yourself
You can get into debt on your own
There's a lot of things that you can do alone! But ...

Takes two to tango, two to tango,
Two to really get the feeling of romance
Let's do the tango, do the tango, do the dance of love

Takes two to tango, two to tango
Two to really get the feeling of romance
Let's do the tango, do the tango, do the dance of love

You can croon to the moon by yourself
You can laugh like a loon by yourself
Spend a lot, go to pot on your own
There's lots of things that you can do alone!

Track 2 Speedy Gonzales by Pat Boone

You better come home, Speedy Gonzales
Away from tannery row
Stop all of your drinkin'
With that floozie named Flo
Come on home to your adobe
And slap some mud on the wall
The roof is leakin' like a strainer
There's loadsa roaches in the hall

Speedy Gonzales, why don't you come home?
Speedy Gonzales, how come you leave me all alone?
“Hey, Rosita-I have to go shopping downtown for my mother
She needs some tortillas and chilli peppers.”

Your doggy's gonna have a puppy
And we're runnin' out of coke
No enchiladas in the icebox
And the television's broke
I saw some lipstick on your sweatshirt
I smelled some perfume in your ear
Well if you're gonna keep on messin'
Don't bring your business back a-here

Speedy Gonzales, why don't you come home?
Speedy Gonzales, how come you leave me all alone?
“Hey, Rosita-come quick-down at the cantina
They giving green stamps with tequila!”

Track 3 When You're Smiling by The Cast of Mighty Aphrodite

When you're smiling, when you're smiling
The whole world smiles with you
When you're laughing, when you're laughing
The sun keeps shining through

But when you're crying, you bring on the rain
So stop your sighing, be happy again
Keep on smiling, 'cause when you're smiling
The whole world smiles with you

When you're smiling, when you're smiling
The whole world smiles with you
When you're laughing, when you're laughing
That sun keeps shining through

But when you're crying, you bring on the rain
So stop your sighing, be happy again
Keep on smiling, 'cause when you're smiling
The whole world smiles with you

Track 4 Hello Dolly by Louis Armstrong

I said hello, dolly
Well, hello, dolly
It's so nice to have you back where you belong
You're lookin' swell, dolly
I can tell, dolly
You're still glowin'
You're still crowin'
You're still goin' strong

I feel the room swayin'
While the band's playin'
One of our old favourite songs from way back when
So..... take her wrap, fellas.....
Find her an empty lap, fellas
Dolly never go away again

I feel the room swayin'
While the band's playin'
One of our old favorite songs from way back when
So, golly gee, fellas
Have a little faith in me, fellas
Dolly, never go away
Promise, you'll never go away
Dolly, never go away again

Track 5 9 to 5 by Dolly Parton

Tumble outta bed and I stumble to the kitchen
Pour myself a cup of ambition
And yawn and stretch and try to come to life

Jump in the shower and the blood starts pumpin'
Out on the street the traffic starts jumpin'
The folks like me on the job from 9 to 5

Workin' 9 to 5 what a way to make a livin'
Barely gettin' by it's all takin' and no givin'
They just use your mind
And they never give you credit
It's enough to drive you crazy if you let it

9 to 5, for service and devotion
You would think that I
Would deserve a fat promotion
Want to move ahead
But the boss won't seem to let me
I swear sometimes that man is out to get me

They let you dream just to watch 'em shatter
You're just a step on the boss-man's ladder
But you got dreams he'll never take away

You're in the same boat with a lot of your friends
Waitin' for the day your ship'll come in
And the tide's gonna turn and it's all gonna roll your way

Cont

Cont.....

Workin' 9 to 5 what a way to make a livin'
Barely gettin' by it's all takin' and no givin'
They just use your mind
And you never give the credit
It's enough to drive you crazy if you let it

9 to 5, yeah they got you where they want you
There's a better life, and you dream about it, don't you?
It's a rich man's game no matter what they call it
And you spend your life puttin' money in his wallet

9 to 5, whoa what a way to make a livin'
Barely gettin' by, it's all takin' and no givin'
They just use your mind and they never give you credit
It's enough to drive you crazy if you let it

9 to 5, yeah they got you where they want you
There's a better life, and you dream about it, don't you?
It's a rich man's game no matter what they call it
And you spend your life puttin' money in his wallet

9 to 5, whoa what a way to make a livin'
Barely gettin' by, it's all takin' and no givin'
They just use your mind and they never give you credit
It's enough to drive you crazy if you let it

Track 6 Green Green Grass of Home by Tom Jones

The old home town looks the same
As I step down from the train
And there to meet me is my mama and papa
Down the road I look and there runs Mary
Hair of gold and lips like cherries
It's good to touch the green green grass of home

Yes, they've all come to meet me
Arms reaching smiling sweetly
It's good to touch the green green grass of home

The old house is still standing
Though the paint is cracked and dry
And there's that old oak tree that I used to play on
Down the lane I walk with my sweet Mary
Hair of gold and lips like cherries
It's good to touch the green green grass of home

Track 7 Home Sweet Home by Deanna Durbin

Mid pleasures and palaces though I may roam
Be it ever so humble, there's no place like home
A charm from the sky seems to hallow us there
Which, seek thro' the world
Is ne'er met with elsewhere

Home
Home! Sweet, sweet home!
There's no place like home
There's no place like home

Track 8 By The Light Of The Silvery Moon by Doris Day

By the light of the silvery moon I want to spoon
To my honey, I'll croon love's tune
Honey moon, keep a-shinin' in June
Your silvery beams will bring love's dreams
We'll be cuddlin' soon, by the silvery moon

Place, park, scene, dark
Silvery moon is shining through the trees
Cast, two, me, you
Summer kisses floating on the breeze
Act one, be done
Dialogue, where would ya like to spoon?
My cue, with you
Underneath the silvery moon

By the light of the silvery moon
I want to spoon
To my honey, I'll croon love's tune
Honey moon, keep a-shinin' in June
Your silvery beams will bring love's dreams
We'll be cuddlin' soon, by the silvery moon

Cont....

Cont....

Act two, Scene new
Roses blooming all around the place
Cast three, You me
Preacher with a solemn-looking face
Choir sings, bell rings
Preacher, you are wed forever more
Act two, all though
Every night the same encore

By the light, not the dark but the light
Of the silvery moon, not the sun but the moon
I wanna spoon, not croon, but spoon
To my honey, I'll croon love's tune
Honeymoon, honeymoon, honeymoon
Keep a-shinin' in June
Your silvery beams will bring love's dreams
We'll be cuddlin' soon by the silvery moon
The silvery moon

Track 9 – Are You Sure by The Allisons

Goodbye (Goodbye), farewell (farewell)
I'm not sure what to do
So long (So long), au revoir (au revoir)
It's hard, but I'll pull through
Are you sure you won't be sorry?
Comes tomorrow, you won't want me
Back again to hold you tightly?
Now are you sure
It's not your foolish heart?
That you won't grieve
If we're to be apart?
You will see, as time goes by
We'll grow lonely, you and I
Dreaming of each other and we'll cry

Goodbye (Goodbye), farewell (farewell)
I'm not sure what to do
So long (So long), au revoir (au revoir)
It's hard, but I'll pull through
Are you sure you won't be sorry?
Comes tomorrow, you won't want me
Back again to hold you tightly?
Just stop and think
It's your decision now
For you're the one
Who went and broke the vow
You'll be sorry, wait and see
Spend your life in misery
Wishing that you had returned to me

Track 10 Put Your Arms Around Me Honey by Dick Haymes

Put your arms around me, honey
Hold me tight
Huddle up and cuddle up with all your might
Oh! Oh! Won't you roll those eyes?
Eyes that I just idolize
When they look at me, my heart begins to float
Then it starts a rockin' like a motor boat
Oh! Oh! I never knew any girl like you

Put your arms around me, honey
Hold me tight
Huddle up and cuddle up with all your might
Oh! Oh! Won't you roll those eyes
Eyes that I just idolize
When you look at me, my heart begins to float
Then it starts a rockin' like a motorboat
Oh! Oh! I never knew any girl like you
I never knew another girl like you
I never knew another boy like you

Put your arms around me, honey
Hold me tight
Huddle up and cuddle up with all your might

Track 11 How High The Moon by Les Paul & Mary Ford

Somewhere there's music
How faint the tune
Somewhere there's heaven
How high the moon
There is no moon above
When love is far away too
Till it comes true
That you love me as I love you

Somewhere there's music
How near, how far
Somewhere there's heaven
It's where you are
The darkest night would shine
If you would come to me soon
Until you will, how still my heart
How high the moon

Somewhere there's music
How faint the tune
Somewhere there's heaven
How high the moon
The darkest night would shine
If you would come to me soon
Until you will, how still my heart
How high the moon

Track 12 Singing the Blues by Tommy Steele

Well, I never felt more like singing the blues
Cause I never thought that I'd ever lose
Your love dear, why'd you do me this way

Well, I never felt more like crying all night
Cause everything's wrong, and nothing ain't right
Without you, you got me singing the blues

The moon and stars no longer shine
The dream is gone I thought was mine
There's nothing left for me to do but cry-y-y-y over you

Well, I never felt more like running away
But why should I go 'cause I couldn't stay
Without you, you got me singing the blues

Well, I never felt more like singing the blues
Cause I never thought that I'd ever lose
Your love dear, why'd you do me this way

Well, I never felt more like crying all night
Cause everything's wrong, and nothing ain't right
Without you, you got me singing the blues

The moon and stars no longer shine
The dream is gone I thought was mine
There's nothing left for me to do but cry-y-y-y over you

Well, I never felt more like running away
But why should I go 'cause I couldn't stay
Without you, you got me singing the blues

Track 13 Bonnie Wee Thing by Don Grieve

Bonnie wee thing, **cannie** wee thing
Lovely wee thing, wert thou mine
I **would** wear thee in my bosom
Lest thy jewel should be tine

Wishfully I look and languish
In that bonnie face o' thine
And my heart did stounds **wi'** anguish
Lest my wee thing be **nay** mine

Bonnie wee thing, **cannie** wee thing
Lovely wee thing, wert thou mine
I **would** wear thee in my bosom
Lest thy jewel should be tine

Track 14 Cocktails For Two by Carl Brisson

Oh a delight to be given the right to
Be carefree and gay once again
No longer slinking, respectable drinking
Like civilised ladies and men
No longer need we men
A charming scene like this

In some secluded rendezvous
That overlooks the avenue
With someone sharing a delightful chat
Of this and that
And cocktails for two

As we enjoy a cigarette
To some exquisite chansonnette
Two hands are sure to slyly meet beneath
A serviette
With cocktails for two

My head may go reeling
But my heart will be obedient
With intoxicating kisses
For the principal ingredient

Most any afternoon at five
We'll be so glad we're both alive
Then maybe fortune will complete her plan
That all began
With cocktails for two

Track 15 Mona Lisa by Nat King Cole

Mona Lisa, Mona Lisa, men have named you
You're so like the lady with the mystic smile
Is it only 'cause you're lonely they have blamed you?
For that Mona Lisa strangeness in your smile?

Do you smile to tempt a lover, Mona Lisa?
Or is this your way to hide a broken heart?
Many dreams have been brought to your doorstep
They just lie there and they die there

Are you warm, are you real, Mona Lisa?
Or just a cold and lonely, lovely work of art?

Mona Lisa, Mona Lisa

Track 16: What Do You Wanna Make Those Eyes At Me For by Emile Ford

What do you wanna make those eyes at me for
If they don't mean what they say
They make me glad, they make me sad
They make me want a lot of things that I never had

You're fooling around with me now
Oh, you lead me on and then you run away
Well, that's alright
I'll get you alone some night
And baby you'll find you're messing with dynamite
So what do you wanna make those eyes at me for
If they don't mean what they say

What do you wanna make those eyes at me for
If they don't mean what they say
They make me glad, they make me sad
They make me want a lot of things that I never had

You're fooling around with me now
Oh, you lead me on and then you run away
Well, that's alright
I'll get you alone some night
And baby you'll find you're messing with dynamite
So what do you wanna make those eyes at me for
If they don't mean what they say

If they don't mean what they say, yeah!

Track 17 Little Blue Man by Petula Clark

One morning when I was out shopping
Though you'll find it hard to believe
A little blue man came out of the crowd
And timidly tugged at my sleeve

I wuv you, I wuv you, said the little blue man
I wuv you, I wuv you to bits
I wuv you, he loved me, said the little blue man
And scared me right out of my wits

I hurried back to my apartment
I rushed in and I closed the door
But there on my desk stood the little blue man
Who started to tell me once more

I wuv you, I wuv you, said the little blue man
I wuv you, I wuv you to bits
I wuv you, he loved me, said the little blue man
And scared me right out of my wits

For weeks after that I was haunted
Though no one could see him but me
Right by my side was the little blue man
Wherever I happened to be

I wuv you, I wuv you, said the little blue man
I wuv you, I wuv you to bits

Track 18 Sweet Georgia Brown by Bing Crosby

No gal made has got a shade on
Sweet Georgia Brown
Two left feet, but oh, so neat has
Sweet Georgia Brown
They all sigh and wanna die for
Sweet Georgia Brown
I'll tell you why and you know I don't lie, not much!

It's been said she knocks 'em dead
When she lands in town
Since she came why it's a shame
How she cools 'em down
Fellas that she can't get
Must be fellas that she ain't met
Georgia claimed her, Georgia named her
Sweet Georgia Brown

Track 19 In a Shanty in Old Shanty Town by Fats Domino

It's only a shanty in old shanty town
Because the roof is so slanty
It touches the ground
But my tumble down shack
Is by an old railroad track
Like a millionaire's mansion
Keep callin' me back

I'd give up a palace if I was a king
Because it's more than a palace
It's my everything
And there's a queen
Waiting there with a silver crown
In a shanty in old shanty town

Track 20 Breaking Up Is Hard To Do by Neil Sedaka

Don't take your love away from me
Don't you leave my heart in misery
If you go then I'll be blue
'Cause breaking up his hard to do

Remember when you held me tight
And you kissed me all through the night
Think of all that we've been through
And breaking up is hard to do

They say that breaking up is hard to do
Now I know, I know that it's true
Don't say that this is the end
Instead of breaking up
I wish that we were making up again

I beg of you, don't say goodbye
Can't we give our love another try
Come on baby, let's start a new
'Cause breaking up is hard to do

Track 21 The Leaving of Liverpool by The Seekers

Farewell to you my own true love
I am going far away
I am bound for California
And I know that I'll return some day

So fare thee well my own true love
And when I return united we will be
It's not the leaving of Liverpool that grieves me
But my darling when I think of thee

Oh the sun is on the harbour love
And I wish I could remain
But I know it will be some long time
Before I see you again

Track 22 A Pretty Girl Is Like A Melody by Rudy Vallee

A pretty girl is like a melody
That haunts you night and day
Just like the strain of a haunting refrain
She'll start upon a marathon
And run around your brain

You can't escape she's in your memory
By morning night and noon
She will leave you and then come back again
A pretty girl is just like a pretty tune

Just like a beautiful strain
Just like a haunting refrain
A pretty girl is just like a pretty tune

Track 23 High Hopes by Frank Sinatra

Next time you're found, with your chin on the ground
There a lot to be learned, so look around
Just what makes that little old ant
Think he'll move that rubber tree plant
Anyone knows an ant, can't
Move a rubber tree plant

But he's got high hopes, he's got high hopes
He's got high apple pie in the sky hopes
So any time you're getting' low
'Stead of lettin' go, just remember that ant

Oops there goes another rubber tree plant
Oops there goes another rubber tree plant
Oops there goes another rubber tree plant

When troubles call, and your back's to the wall
There's a lot to be learned, that wall could fall

Once there was a silly old ram
Thought he'd punch a hole in a dam
No-one could make that ram, scam
He kept buttin' that dam

Cause he had high hopes, he had high hopes
He had high apple pie in the sky hopes
So any time you're feelin' bad

‘Stead of feelin’ sad just remember that ram

Oops there goes a billion kilowatt dam

Oops there goes a billion kilowatt dam

Oops there goes a billion kilowatt dam

Track 24 Battle of New Orleans by Lonnie Donegan

Well in 1814, we took a little trip

Along with Colonel Packenham down the mighty Mississippi'

We took a little bacon and we took a little beans

And we fought the bloomin' British in the town of New Orleans

Well, we fired our guns and the British kept a comin'

There wasn't nigh as many as there was a while ago

We fired once more and they began a-running,

On down the Mississippi to the Gulf of Mexico

Well, we looked down the river till we see the British come

There must have been a hundred of 'em beatin' on the drum

They stepped so high and they made the bugles ring

Well, we stood beside our cotton bales and never said a thing

Well Packenham said we could take them by surprise

If we didn't fire a musket, so we looked him in the eye

We stood quite still til we see their faces well

We opened up our muskets and we really gave them

Well, we fired our guns and the British kept a comin'

And there wasn't as many as there was a while ago

We fired once more and they began a running

On down the Mississippi to the Gulf of Mexico

Track 25 Rose of England by Ivor Novello

Rose of England thou shall fade not here
Proud and bright from growing year to year
Red shall thy petals be as rich wine untold
Shared by the warriors who served thee of old

Rose of England breathing England's air
Flower of chivalry beyond compare
While hand and heart endure to cherish thy prime
Thou shall blossom to the end of time

Rose of England thou shall fade not here
Proud and bright from growing year to year
Red shall thy petals be as rich wine untold
Shared by thy warriors who served thee of old

Track 26 Wonderful Guy by Mitzi Gaynor

I expect everyone of my crowd to make fun
Of my proud protestations of faith in romance
And they'll say I'm naive as a babe to believe
Every fable I hear from a person in pants

Fearlessly I'll face them and argue their doubts away
Loudly I'll sing about flowers and spring
Flatly I'll stand on my little flat feet and say
Love is a grand and a beautiful thing!
I'm not ashamed to reveal the world famous feeling I feel

I'm as corny as Kansas in August
I'm as normal as blueberry pie
No more a smart little girl with no heart
I have found me a wonderful guy!

I am in a conventional dither,
With a conventional star in my eye
And you will note there's a lump in my throat
When I speak of that wonderful guy!

I'm as trite and as gay as a daisy in May

A cliché coming true!
I'm bromidic and bright as a moon-happy night
Pouring light on the dew!

I'm as corny as Kansas in August
High as a flag on the Fourth of July!
If you'll excuse an expression I use
I'm in love, I'm in love I'm in love, I'm in love
I'm in love with a wonderful guy!

Track 27 In Dreams by Roy Orbison

A candy-colored clown they call the sandman
Tiptoes to my room every night
Just to sprinkle star dust and to whisper
"Go to sleep, everything is alright"

I close my eyes, then I drift away
Into the magic night, I softly say
A silent prayer like dreamer's do
Then I fall asleep to dream my dreams of you

In dreams I walk with you
In dreams I talk to you
In dreams you're mine all of the time
We're together in dreams, in dreams

Track 28 Washday Blues by Dolly Parton

Last Saturday night I looked like a princess dressed in calico
Now blue Monday washday I look like a lady hobo
Just rubbin' and a scrubbin' and a rinsin' 'em out
I gotta hang 'em out early I hope the sun comes out
Wash 'em out ring 'em out hang 'em on the line
Get a little tired just think about the good times
Washday blues

Now I ain't never been very lucky I ain't never won a prize
But I'd like to get a job on TV
For some of that soap they advertise
Just rubbin' and a scrubbin' and a rinsin' 'em out
I gotta hang 'em out early I hope the sun comes out
Wash 'em out ring 'em out hang 'em on the line
Get a little tired just think about the good times
Washday blues

Well that good lookin' good lovin' no good man of mine
Could buy me a washin' machine
But he spends all his money on payday

To make me look like a queen
Now rubbin' and scrubbin' and a rinsin' 'em out
I gotta hang 'em out early I hope the sun comes out
Wash 'em out ring 'em out hang 'em on the line
Get a little tired just think about the good times
Washday blues

Track 29 Magic Moments by Perry Como

Magic moments, when two hearts are caring
Magic moments, mem'ries we've been sharing
I'll never forget the moment we kissed
The night of the hay ride
The way that we hugged to try to keep warm
While taking a sleigh ride

Magic moments, mem'ries we've been sharing
Magic moments, when two hearts are caring
Time can't erase the memory of
These magic moments filled with love

The telephone call that tied up the line
For hours and hours
The Saturday dance I got up the nerve
To send you some flowers

Magic moments, mem'ries we've been sharing
Magic moments, when two hearts are caring
Time can't erase the memory of

These magic moments filled with love

Track 30 Dancing Cheek To Cheek by Desi Arnaz

Heaven, I'm in heaven
And my heart beats so that I can hardly speak
And I seem to find the happiness I seek
When we're out together dancing cheek to cheek

Heaven, I'm in heaven
And the cares that hung around me through the week
Seem to vanish like a gambler's lucky streak
When we're out together dancing cheek to cheek

Oh, I'd love to climb a mountain,
And to reach the highest peak
But it doesn't thrill me half as much
As dancing cheek to cheek

Oh, I'd love to go out fishing
On a river, or a creek
But I don't enjoy it half as much
As dancing cheek to cheek

Dance with me, I want my arm about you
The charm about you will carry me through to
Heaven, I'm in heaven
And my heart beats so that I can hardly speak
And I seem to find that happiness I seek
When we're out together dancing cheek to cheek

Track 31 Michael Row the Boat Ashore by the Highwaymen

Michael row the boat ashore, Hallelujah
Michael row the boat ashore, Hallelujah

Sister help to trim the sails, Hallelujah
Sister help to trim the sails, Hallelujah

Michael row the boat ashore, Hallelujah
Michael row the boat ashore, Hallelujah

The River Jordan's chilly and cold Hallelujah
Chills the body but not the soul Hallelujah

Michael row the boat ashore, Hallelujah
Michael row the boat ashore, Hallelujah

River is deep and the river is wide Hallelujah
Milk and honey on the other side Hallelujah

Michael row the boat ashore, Hallelujah
Michael row the boat ashore, Hallelujah
