

Lyrics for November 2019 Daily Sparkle Singalongs

Track 1 9 to 5 by Dolly Parton

Tumble outta bed and I stumble to the kitchen
Pour myself a cup of ambition
And yawn and stretch and try to come to life

Jump in the shower and the blood starts pumpin'
Out on the street the traffic starts jumpin'
The folks like me on the job from 9 to 5

Workin' 9 to 5 what a way to make a livin'
Barely gettin' by it's all takin' and no givin'
They just use your mind
And they never give you credit
It's enough to drive you crazy if you let it

9 to 5, for service and devotion
You would think that I
Would deserve a fat promotion
Want to move ahead
But the boss won't seem to let me
I swear sometimes that man is out to get me

They let you dream just to watch 'em shatter
You're just a step on the boss-man's ladder
But you got dreams he'll never take away

Cont...

Cont...

You're in the same boat with a lot of your friends
Waitin' for the day your ship'll come in
And the tide's gonna turn and it's all gonna roll your way

Workin' 9 to 5 what a way to make a livin'
Barely gettin' by it's all takin' and no givin'
They just use your mind
And you never give the credit
It's enough to drive you crazy if you let it

9 to 5, yeah they got you where they want you
There's a better life, and you think about it, don't you?
It's a rich man's game no matter what they call it
And you spend your life puttin' money in his wallet

9 to 5, whoa what a way to make a livin'
Barely gettin' by, it's all takin' and no givin'
They just use your mind and they never give you credit
It's enough to drive you crazy if you let it

Track 2 All Shook Up by Elvis Presley

A well bless my soul
What's wrong with me?
I'm itching like a man on a fuzzy tree
My friends say I'm actin' wild as a bug
I'm in love, I'm all shook up
Uh huh ohh yeah, yeah!

Well my hands are shaky and my knees are weak
I can't seem to stand on my own two feet
Who do you thank when you have such luck?
I'm in love, I'm all shook up
Uh huh ohh yeah, yeah!

Well please don't ask me what's on my mind
I'm a little mixed up, but I'm feelin fine
When I'm near that girl that I love best
My heart beats so it scares me to death!

She touched my hand what a chill I got
Her lips are like a volcano that's hot
I'm proud to say that she's my buttercup
I'm in love, I'm all shook up
Uh huh ohh yeah, yeah!

My tongue gets tied when I try to speak
My insides shake like a leaf on a tree
There's only one cure for this body of mine
That's to have that girl that I love so fine!

She touched my hand what a chill I got
Her lips are like a volcano that's hot
I'm proud to say that she's my buttercup
I'm in love, I'm all shook up
Uh huh ohh yeah, yeah!
I'm all shook up

Track 3 Animal Crackers In My Soup by Shirley Temple

Animal crackers in my soup
Monkeys and rabbits loop the loop
Gosh oh gee but I have fun
Swallowing animals one by one
In every bowl of soup I see
Lions and tigers watching me
I make them jump right through a hoop
Those animal crackers in my soup

When I get hold of the big bad wolf
I just push him under to drown
Then I bite him in a million bits
And I gobble him right down

When they're inside me where it's dark
I walk around like Noah's Arc
I stuff my tummy like a goop
With animal crackers in my soup

Animal crackers in my soup
Do funny things to me
They make me think my neighbourhood
Is a big menagerie

Track 5 Big Rock Candy Mountain by Burl Ives

Oh the buzzin' of the bees
And the cigarette trees
The soda water fountain
Where the lemonade springs
And the bluebird sings
In that Big Rock Candy Mountain

On a summer day in the month of May
A burly bum come hiking
Down a shady lane near the sugar cane
He was looking for his liking
As he strolled along he sung a song
Of the land of milk and honey
Where a bum can stay for many a day
And he won't need any money

Oh the buzzin' of the bees
And the cigarette trees
The soda water fountain
Where the lemonade springs
And the bluebird sings
In that Big Rock Candy Mountain

In the Big Rock Candy Mountain
The cops have wooden legs
The bulldogs all have rubber teeth
And the hens lay soft-boiled eggs
The farmers trees are full of fruit
The barns are full of hay
I want to go where there ain't no snow
Where the sleet don't fall
And the wind don't blow
In that Big Rock Candy Mountain

Track 6 Cocktails For Two by Carl Brisson

Oh a delight to be given the right to
Be carefree and gay once again
No longer slinking, respectably drinking
Like civilised ladies and men
No longer need we men
A charming scene like this

In some secluded rendezvous
That overlooks the avenue
With someone sharing a delightful chat
Of this and that
And cocktails for two

As we enjoy a cigarette
To some exquisite chansonnette
Two hands are sure to slyly
meet beneath a serviette
With cocktails for two

My head may go reeling
But my heart will be obedient
With intoxicating kisses
As the principal ingredient

Most any afternoon at five
We'll be so glad we're both alive
Then maybe fortune will complete her plan
That all began
With cocktails for two

Track 7 The Ballad of Casey Jones by Merrill Jay Singers

Come all ye rounders if you want to hear
The story about a brave engineer
Casey Jones was the rounders name
On the 68-wheeler boys who won his fame

The caller called Casey 'bout a quarter to four
He kissed his wife at the station door
He mounted to the cabin with his orders in his hand
Got to make a fast trip out to Frisco land

Casey Jones mounted to his cabin
Casey Jones with his orders in his hand
Casey Jones mounted to the cabin
Got to make a fast trip out to Frisco land

80 miles an hour down the Reno Hill
The whistle was a-crying out loud and shrill
The switchman knew by the engine's moans
That the man at the throttle was Casey Jones

Casey saw that the signal was red
The Eastbound freight was broken down ahead
He shouted to the fireman 'Man you'd better jump'
'Cos there's two locomotives that are going to bump

Casey Jones shouted to the fireman
Casey Jones said you'd better jump
Casey Jones shouted to the fireman
Two locomotives that are going to bump

Casey knew that things could never be worse
He slammed on the brakes and made the wheels reverse

Cont...

Cont...

It looked like Casey Jones had met his fate
But he stopped within an inch of the Eastbound freight

So here's to the saviour of the Frisco run
Stayed with his engine til the job was done
The hero of the Harbers and he had no fear
Casey Jones is the bravest of the engineers

Casey Jones the hero of the Harbers
Casey Jones and he knew no fear
Casey Jones the hero of the Harbers
Casey Jones is the bravest of the engineers

Track 8 Every Time We Say Goodbye by Ray Charles

Every time we say goodbye I die a little
Every time we say goodbye I wonder why a little
Why the Gods above me who must be in the know
Think so little of me they allow you to go

And when you're near there's such an air of spring about it
I can hear a lark somewhere begin to sing about it
There's no love song finer but how strange the change
From major to minor
Every time we say goodbye

Track 9 I Whistle A Happy Tune by Marni Nixon

Whenever I feel afraid, I hold my head erect
And whistle a happy tune, so no-one will suspect
I'm afraid

While shivering in my shoes, I strike a careless pose
And whistle a happy tune, and no-one ever knows
I'm afraid

The result of this deception, is very strange to tell
For when I fool the people, I fear I fool myself as well!

I whistle a happy tune, and ev'ry single time
The happiness in the tune, convinces me that I'm not afraid

Make believe you're brave, and the trick will take you far
You may be as brave, as you make believe you are
You may be as brave, as you make believe you are

Whenever I feel afraid, I hold my head erect
And whistle a happy tune, so no-one will suspect
I'm afraid

While shivering in my shoes, I strike a careless pose
And whistle a happy tune, and no-one ever knows
I'm afraid

Track 10 Mona Lisa by Nat King Cole

Mona Lisa, Mona Lisa, men have named you
You're so like the lady with the mystic smile
Is it only 'cause you're lonely they have blamed you?
For that Mona Lisa strangeness in your smile?

Do you smile to tempt a lover, Mona Lisa?
Or is this your way to hide a broken heart?
Many dreams have been brought to your doorstep
They just lie there and they die there

Are you warm, are you real, Mona Lisa?
Or just a cold and lonely, lovely work of art?

Mona Lisa, Mona Lisa

Track 11 Put Your Arms Around Me Honey by Dick Haymes

Put your arms around me, honey
Hold me tight
Huddle up and cuddle up with all your might
Oh! Oh! Won't you roll those eyes?
Eyes that I just idolize
When they look at me, my heart begins to float
Then it starts a rockin' like a motor boat
Oh! Oh! I never knew any girl like you

Put your arms around me, honey
Hold me tight
Huddle up and cuddle up with all your might
Oh! Oh! Won't you roll those eyes
Eyes that I just idolize
When you look at me, my heart begins to float
Then it starts a rockin' like a motorboat
Oh! Oh! Oh! Oh! I never knew any girl like you
I never knew another girl like you
I never knew another boy like you
So, put your arms around me, honey
Hold me tight
Huddle up and cuddle up with all your might

Track 12 Schoolboy Crush by Cliff Richard

Baby doll, when we graduate
You will still be my steady date
You're not just a schoolboy crush

Baby doll, when I hold you tight
Can't you tell, when we kiss goodnight
You're not just a schoolboy crush

At the candy shop, at the record house
Or the drive-in show
When you're close to me
You're the most to me
Oh woh oh woh wh-o wh-o

Baby doll, what a thrill I feel
Love you so, I just know it's real
You're not just a schoolboy crush

Oh you're my baby doll
When I hold you tight, can't you tell
When we kiss goodnight
You're not just a schoolboy crush

Track 13 I'll Never Find Another You by The Seekers

There's a new world somewhere they call The Promised Land
And I'll be there some day if you will hold my hand
I still need you there beside me no matter what I do
For I know I'll never find another you

There is always someone for each of us they say
And you'll be my someone forever and a day
I could search the whole world over until my life is through
But I know I'll never find another you

It's a long, long journey so stay by my side
When I walk through the storm you'll be my guide, be my guide
If they gave me a fortune my treasure would be small
I could lose it all tomorrow and never mind at all

Track 14 Football Crazy by Robin Hall & Jimmie MacGregor

Now, you'll all know my wee brother
His name is Jock McGraw
And he's lately joined a football club
For he's mad about football

And he's had two black eyes already
And teeth lost frae his gob,
Since our Jock became a member
O' that terrible football club

Oh he's football crazy, he's football mad
And the football, it has robbed him o' the wee bit sense he had
And it would take a dozen skivees his clothes to wash and scrub
Since our Jock became a member o' that terrible football club

Oh, the first match he took part in
I was there myself and saw
He had two half bricks for the goal posts
And a tin can for the ball

And The Provost of Glasgow he was there
With Lords and Ladies Fair
And our Jock ran out and kicked the football
Two miles in the air

In the middle of the field at Hampden Park
The Captain says "McGraw,
Would you kindly take this penalty kick
Or well never win at all"

So he took fifty paces backwards
Shot fair of the mark
And the ball went sailing o'er the stand

Cont...

Cont...

And landed in New York

Oh he's football crazy, he's football mad
And the football, it has robbed him o' the wee bit sense he had
And it would take a dozen skivees his clothes to wash and scrub
Since our Jock became a member o' that terrible football club

Oh his wife she says she'll leave him
If he doesna keep
Away from football kicking
At night-time in his sleep

For he calls her Charlie Tully
And other names so droll
Last night he kicked her out o' the bed
And shouted, "It's a goal!"

Oh he's football crazy, he's football mad
And the football, it has robbed him o' the wee bit sense he had
And it would take a dozen skivees his clothes to wash and scrub
Since our Jock became a member o' that terrible football club

Track 15 Venus In Blue Jeans by Mark Wynter

She's Venus in blue jeans
Mona Lisa with a pony tail
She's a walkin' talkin' work of art
She's the girl who stole my heart

My Venus in blue jeans
Is the Cinderella I adore
She's my very special angel too
A fairy tale come true

They say there's seven wonders in the world
But what they say is out of date
There's more than seven wonders in this world
I just met number eight

My Venus in blue jeans
Is everything I hoped she'd be
A teenage goddess from above
And she belongs to me

My Venus in blue jeans
Is everything I hoped she'd be
A teenage goddess from above
And she belongs to me

Oh my Venus in blue jeans
Is everything I hoped she'd be
A teenage goddess from above
And she belongs to me

Track 16 Westering Home by Jimmy Shand

Westering home and a song in the air
Light in the eye and it's goodbye to care
Laughter o' love and a welcoming there
Isle of my heart my own one

Tell me o' lands of the Orient gay
Speak o' the riches and joys of Cathay
Aye but it's grand to be walkin' all day
And find yourself nearer to Islay

Westering home and a song in the air
Light in the eye and it's goodbye to care
Laughter o' love and a welcoming there
Isle of my heart my own one

Tell me o' lands of the Orient gay
Speak o' the riches and joys of Cathay
Aye but it's grand to be walkin' all day
And find yourself nearer to Islay

Westering home and a song in the air
Light in the eye and it's goodbye to care
Laughter o' love and a welcoming there
Isle of my heart my own one

Track 17 I've Got My Love to Keep Me Warm by Judy Garland

The snow is snowing, the wind is blowing
But I can weather the storm!
What do I care how much it may storm?
I've got my love to keep me warm

I can't remember a worse December
Just watch those icicles form!
What do I care if icicles form?
I've got my love to keep me warm

Off with my overcoat, off with my glove
I need no overcoat, I'm burning with love!
My heart's on fire, the flame grows higher
So I can weather the storm!

What do I care how much it may storm?
I've got my love to keep me
My lovely love to keep me
I've got my love to keep me warm

Track 18 Consider Yourself by The Cast Of The Film 'Oliver'

Consider yourself at home
Consider yourself one of the family
I've taken to you so strong
It's clear we're going to get along
Consider yourself well in
Consider yourself part of the furniture
There isn't a lot to spare
Who cares? Whatever we've got we share!

If it should chance to be
We should see
Some harder days
Empty larder days
Why grouse?
Always a-chance we'll meet
Somebody to foot the bill
Then the drinks are on the house!

Consider yourself our mate
We don't want to have no fuss,
For after some consideration, we can state
Consider yourself
One of us!

Consider yourself at home
Consider yourself one of the family
We've taken to you so strong
It's clear we're going to get along
Consider yourself well in
Consider yourself part of the furniture
There isn't a lot to spare
Who cares? Whatever we've got we share!

Cont...

Cont...

Nobody tries to be lah-di-dah or uppity--
There a cup-o'-tea for all
Only it's wise to be handy with a rolling pin
When the landlord comes to call!

Consider yourself our mate
We don't want to have no fuss,
For after some consideration, we can state
Consider yourself
One of us!

Track 19 Hello, Dolly! by Louis Armstrong

Hello, Dolly
It's so nice, Dolly
It's so nice to have you back where you belong
You lookin' swell, Dolly
I can tell, Dolly
You're still glowin'
You're still crowin'...
You're still goin' strong

I feel the room swayin'
While the band's playin'
One of our old favourite songs from way back when
So, take her wrap, fellas
Find her an empty lap, fellas
Dolly never go away again

I feel the room swayin'
While the band's playin'
One of our old favourite songs from way back when
So golly, gee, fellas
Have a little faith in me, fellas
Dolly'll never go away
Promise you'll never go away
Dolly'll never go away again

Track 20 Somebody Stole My Gal by Johnnie Ray

Somebody stole my gal
Yes, somebody stole my pal
Some alley tomcat came and took her away from me
They didn't even tell me that they were leavin'

The kisses oo-oooh we had shared
And the times she said how much she cared
Oh, now I know, yes now how I know
Just how much I need her so
I'm pretty broken up,
I'm plenty broken hearted now
Somebody stole my gal

Somebody stole my gal
Somebody stole my pal
Some sweet talkin' lover boy took her away, I think to play
They didn't even bother to come over, tell me buddy we're
leavin'

The kisses ooh we had shared
The times she said how much she cared
Well, now I know, yes, now I know
Just how much I need her so
I'm plenty broken up, pretty broken hearted now
Somebody stole my gal
Didn't wanna lose her, didn't wanna lose her
Didn't wanna lose her, didn't wanna lose her

The kisses we had shared
The many, many times she said she cared
Now, now I know
Oh, just how much I need her so
I'm pretty broken up, pretty broken up, I'm broken hearted now
Somebody stole my gal

Track 21 Stupid Cupid by Neil Sedaka

Stupid cupid you're a real mean guy
I'd like to clip your wings so you can't fly
I'm in love and it's a crying shame
And I know that you're the one to blame
Hey hey, set me free stupid cupid stop picking on me

I can't do my homework and I can't think straight
I meet her every morning 'bout half past eight
Well I'm acting like a lovesick fool you've even got me carrying
your books to school
Hey hey, set me free
Stupid cupid stop picking on me

You mixed me up for good right from the very start hey now, go
play Robin Hood with somebody else's heart
You got me jumping like a crazy clown and I don't feature what
you're putting down
Well since I kissed her loving lips of wine
The thing that bothers me is that I like it fine
Hey hey, set me free, well stupid cupid stop picking on me

You got me jumping like a crazy clown and I don't feature what
you're putting down
Well since I kissed her loving lips of wine
The thing that bothers me is that I like it fine
Hey hey, set me free stupid cupid stop picking on me
Hey hey, set me free, well stupid cupid stop picking on me

You got me jumping like a crazy clown and I don't feature what
you're putting down
Well since I kissed her loving lips of wine
The thing that bothers me is that I like it fine
Hey hey, set me free stupid cupid stop picking on me
Hey hey, set me free, well stupid cupid stop picking on me

Track 22 Jeepers Creepers by Louis Armstrong

Now, I don't care what the weather man says
When the weather man says it's raining
You never hear me complaining
I'm certain the sun will shine
I don't care how the weather vane points
When the weather vane points to gloomy
It's got to be sunny to me, when your eyes look into mine

Oh jeepers creepers, where d' ya get those peepers?
Jeepers creepers, where d' ya get those eyes?
Gosh all git up, how'd they get so lit up?
Gosh all git up, how'd they get that size?

Oh Golly gee!
When you turn the heaters on, woe is me
Got to put my cheaters on

Jeepers Creepers, where d' ya get those peepers?
Oh, those weepers, how they hypnotize
Where d' ya get those eyes?
Where d' ya get those eyes at?
Where d' ya get those eyes?

Track 23 Sisters Sisters by The Beverley Sisters

Sisters, Sisters

There were never such devoted sisters
Never had to have a chaperone, no sir
I'm here to keep my eye on her

Caring, sharing

Every little thing that we are wearing
When a certain gentleman arrived from Rome
She wore the dress and I stayed home

All kinds of weather, we cling together
The same in the rain and sun
Two different faces, but in tight places
We think and we act as one

Those who've seen us

Say that not a thing could come between us
Many men have tried to split us up
But no one can, nobody can

Lord help the mister

Who comes between me and my sister
And Lord help the sister
Who comes between me and my man

Tearing, repairing,

Could they be my nylons you are wearing?
I buy nylons sheer and fine
They ladder theirs and then take mine

Ever-loving sisters, three sisters

There were never such devoted sisters, BUT!
Men have split the atom
Well then why not we, why not we three?

Lord bless the mister who comes between me and my sister

And Lord help the sister
Who comes between me, me, me, me and my man

Track 24 Johnny Remember Me by John Leyton

When the mist's a rising and the rain is falling
And the wind is blowing cold across the moor
I hear the voice of my darling
The girl I loved and lost a year ago
(Johnny, remember me)

Well, it's hard to believe I know
But I hear her singing in the sighing of the wind
Blowing in the tree tops way above me
(Johnny, remember me)

Yes, I'll always remember
Till the day I die, I'll hear her cry
Johnny remember me

Track 25 Whole Lotta Woman by Marvin Rainwater

It takes a whole lotta lovin'
Just to keep my baby happy
It takes a whole lotta kissin'
And a whole lotta holdin' her hand
It takes a whole lotta lovin'
Just to keep my baby happy
'Cause she's a whole lotta woman
And she's gotta have a whole lotta man

Well when she loves me
She loves me so hard
She almost make-a me mad
And when she kiss me
Well she don't miss me
I know I've been had

It takes a whole lotta lovin'
Just to keep my baby happy
It takes a whole lotta kissin'
And a whole lotta holdin' her hand
It takes a whole lotta lovin'
Just to keep my baby happy
Cause she's a whole lotta woman
And she's gotta have a whole lotta man

Track 26 It's Delightful, It's Delicious, it's De-lovely by Ella Fitzgerald

The night is young, the skies are clear
And if you want to go walkin', dear
It's delightful, it's delicious, it's de-lovely
I understand the reason why
You're sentimental, 'cause so am I
It's delightful, it's delicious, it's de-lovely

You can tell at a glance
What a swell night this is for romance
You can hear, dear mother nature murmuring low
"Let yourself go"
So please be sweet, my chickadee
And when I kiss ya, just say to me
"It's delightful, it's delicious, it's delectable, it's delirious
It's dilemma, it's de-limit, it's deluxe, it's de-lovely"

You can tell at a glance
What a swell night this is for romance
You can hear, dear mother nature murmuring low
"Let yourself go"
So please be sweet, my chickadee
And when I kiss ya, just say to me
"It's delightful, it's delicious, it's delectable, it's delirious
It's dilemma, it's de-limit, it's deluxe, it's de-lovely"

Track 27 Cry by Johnnie Ray

If your heartaches seem to hang around too long
And your blues keep getting bluer with each song
Remember sunshine can be found behind the cloudy skies
So let your hair down and go on and cry

If your heartaches seem to hang around too long
And your blues keep getting bluer with each song
Well now, remember sunshine can be found
Behind a cloudy sky
So let your hair down and go right on baby and cry

Track 28 Woman in Love by Frankie Laine

Your eyes are the eyes of a woman in love
And oh, how they give you away
Why try to deny you're a woman in love
When I know very well what I say?
I say, no moon in the sky ever lent such a glow
Some flame deep within made them shine
Those eyes are the eyes of a woman in love
And may they gaze ever more into mine
Crazily gaze ever more into mine

Track 29 Wonderful Wonderful Copenhagen by Danny Kaye

I sailed up the Skagerrak
And sailed down the Kattegat
Through the harbor and up to the quay
And there she stands waiting for me
With a welcome so warm and so gay

Wonderful, wonderful Copenhagen
Friendly old girl of a town
'Neath her tavern light
On this merry night
Let us clink and drink one down

To wonderful, wonderful Copenhagen
Salty old queen of the sea
Once I sailed away
But I'm home today
Singing Copenhagen, wonderful, wonderful
Copenhagen for me

Wonderful, wonderful Copenhagen
Friendly old girl of a town
'Neath her tavern light
On this merry night
Let us clink and drink one down

To wonderful, wonderful Copenhagen
Salty old queen of the sea
Once I sailed away
But I'm home today
Singing Copenhagen, wonderful, wonderful
Copenhagen for me

Track 30 Don't Let the Stars Get In Your Eyes by Skeet McDonald

Don't let the stars get in your eyes
Don't let the moon break your heart
Love blooms at night in daylight it dies
Don't let the stars get in your eyes
So keep your heart for me for someday I'll return
And you'll know you're the only one I'll ever love

Too many nights too many stars
Too many moons to change your mind
If I'm gone too long don't forget where you belong
When the stars come out remember you are mine

Don't let the stars get in your eyes
Don't let the moon break your heart
Love blooms at night in daylight it dies
Don't let the stars get in your eyes
So keep your heart for me for someday I'll return
And you'll know you're the only one I'll ever love

Track 31 That Old Black Magic by Frank Sinatra

That old black magic has me in its spell
That old black magic that you weave so well
Icy fingers up and down my spine
The same old witchcraft when your eyes meet mine

The same old tingle that I feel inside
When that elevator starts its ride
Down and down I go, round and round I go
Like a leaf that's caught in the tide

I should stay away but what can I do
I hear your name, and I'm aflame
Aflame with such a burning desire
That only your kiss can put out the fire

You are the lover I have waited for
The mate that fate had me created for
And every time your lips meet mine
Baby down and down I go,

Round and round I go
In a spin, loving the spin that I'm in
Under that old black magic called love
